2) Allowance: Meals, Incidentals & Private Accommodation

This expense type relates to the cost of meals, incidentals and nights with private accommodation for up to 30 days in a single location. Use this to estimate costs on travel requests, or to record the actual out of pocket expense amount on expense reports. One form covers allowances for up to 10 unique destinations in a single trip. If your trip covers more than 10 unique destinations, add another instance of this expense type after you have saved this entry. Use the 2a) Allowance: Meals, Incidentals & Private Accommodation (Extended) expense type to record costs from the 31st day of travel onwards in a single location.

Yes. The Agency accepts Bank of Canada exchange rates as the basis for calculations involving income and expenses that are denominated in foreign currencies.
